

Scholarships for Future Leaders

Kiwanis International is the only service organization that builds leaders at every level—from the youngest Kiwanis Kids all the way through several youth programs and adult programs. Proceeds from this year's tournament will be used to recognize, reward, and invest in our leaders of tomorrow. With your support, scholarships will be awarded to two college bound seniors from James River and Clover Hill High Schools. Recipients will be selected based on level of community involvement and scholastic merit.

Chesterfield Community Services Board (Special Needs Children)

The Kiwanis Club of Chesterfield actively participates in and sponsors a Christmas Party for families with children that are physically, mentally and/or emotionally handicapped and are receiving services through the Chesterfield Community Services board. Support is in the form of food for the party, gifts for each

child and a gift certificate for a holiday meal. It's a gratifying evening for our members, seeing first hand the results of their efforts.

About Our Club

The Kiwanis Club of Chesterfield is a non-profit organization that actively participates in community activities. The Chesterfield club strives to make young children its Number One Priority by making youth service activities a primary focus. The cornerstone of our efforts involve the sponsorship of Key Clubs at local high schools, and Chesterfield County Services Board Christmas Families.

We cordially invite you to join us every Tuesday evening at 6:30pm at the Independence Golf Club auditorium. Please contact Greg Lupsha @ 804-687-5404.
